

THE FIRST BANCORP, INC.
CORPORATE GOVERNANCE COMMITTEE CHARTER

Adopted Effective February 19, 2004

Reviewed December 2017

Committee Membership

The Corporate Governance Committee (the "Committee") of the Board of Directors (the "Board") of The First Bancorp, Inc. (the "Company") shall consist solely of "independent directors," i.e., those directors who neither are officers nor employees of the Company or its subsidiaries nor have a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and who are otherwise "independent" under the rules of the Nasdaq Stock Market, Inc.

The initial members of the Committee shall be appointed by the Board. Candidates to fill subsequent vacancies in the Committee shall be appointed by the Board based on nominations by the Committee. Members shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

Committee Purpose and Responsibilities

The Committee's primary duties and responsibilities include:

1. Make recommendations to the Board from time to time as to changes that the Committee believes to be desirable to the size of the Board or any committee thereof.
2. Identify individuals believed to be qualified to become Board members, consistent with criteria approved by the Board and applicable laws and regulations, and to select, or recommend to the Board, the nominees to stand for election as directors at the annual meeting of stockholders or, if applicable, at a special meeting of stockholders. In the case of a vacancy in the office of a director (including a vacancy created by an increase in the size of the Board), the Committee shall recommend to the Board an individual to fill such vacancy either through appointment by the Board or through election by stockholders. In selecting or recommending candidates, the Committee shall take into consideration the criteria approved by the Board and such other factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The Committee shall consider all candidates recommended by the Company's shareholders in accordance with the procedures set forth in the Company's annual proxy statement. The Committee may consider candidates proposed by management, but is not required to do so.
3. Identify Board members qualified to fill vacancies on any committee of the Board (including the Committee) and to recommend that the Board appoint the identified member or members to the respective committee. In nominating a candidate for committee membership, the Committee shall take into consideration the criteria approved by the Board and the factors set forth in the charter of that committee, if any, as well as any other factors it deems appropriate, including without limitation the consistency of the candidate's experience with the goals of the committee and the interplay of the candidate's experience with the experience of other committee members.
4. Establish and recommend to the Board any policies concerning tenure and/or retirement for directors.
5. Establish procedures for the Committee to exercise oversight of the evaluation of the Board.
6. Develop and recommend to the Board a set of corporate governance principles applicable to the Company and to review those principles at least once a year.

7. Review and reassess the adequacy of the Articles of Incorporation, Bylaws and this Charter annually and submit any proposed changes to the Board for approval. Each Committee will annually review and reassess their Charter.
8. Develop and recommend to the Board standards to be applied in making determinations as to the absence of material relationships between the Company and a director.
9. Prepare and issue the evaluation required under "Performance Evaluation" below.
10. Assist Management in the preparation of the disclosure in the Company's annual proxy statement regarding the operations of the Committee.
11. Report to the Board on a regular basis not less than once per year.
12. Perform any other duties or responsibilities expressly delegated to the Committee by the Board from time to time relating to the nomination of Board and committee members.

Committee Structure and Operations

The Board shall designate one member of the Committee as its chairperson. The Committee shall meet in person or telephonically at least twice a year, and perhaps more frequently, in conjunction with regularly scheduled meetings of the Board at regularly scheduled times and places determined by the Committee chairperson, with further meetings to occur, or actions to be taken by unanimous written consent, when deemed necessary or desirable by the Committee or its chairperson.

Delegation to Subcommittee

The Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Committee.

Performance Evaluation

The Committee shall prepare and review with the Board an annual performance evaluation of the Committee, which evaluation shall compare the performance of the Committee with the requirements of this charter. The performance evaluation shall also recommend to the Board any improvements to the Committee's charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.

Resources and Authority of the Committee

The Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate, without seeking approval of the Board or management. With respect to consultants or search firms used to identify director candidates, this authority shall be vested solely in the Committee.
